Psalms 122:1: I was glad when they said to me, 'Let us go into the house of the Lord'

25TH MARCH 2021

Hello Ministry partners and prayer teams,

Progress continues on the new Agongo Side-by -Side church international and the Africa Bible college tuition hall outside the school campus in Kenya KE.

We have completed the foundation and poured concrete floor. Walls are going up very solid and quickly we Give God the glory and praise hallelujah.

We are grateful to God for this project and Palm Desert ministry partners who have given themselves to pray for Agongo Side-By-Side Church and committed to finance aspects of the construction of this new kingdom Hall for the purpose of glorifying our God!

Over 2,750 Adults and children combined currently attending this Community church situated in the very remote areas of Western Kenya. I can't wait to use this new facility once it's completed as we believe God is providing (Philippians 1:6; "being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus."

If you want to be a part of this project or other building projects, we have on list kindly do so
